# SPINNING DOLPHIN

ITEM SCULPTURE  
DESIGNER SAGHI BEHFAR  
MATERIAL FIBERGLASS-PU PAINT  
SIZE 67\*55\*47  
YEAR 2024

Inspired by the kinetic beauty of dolphins, this sculptural stool captures their joyful rhythm and fluid grace. Each piece radiates with vibrant colors, echoing the playful dance of dolphins across the waves.

This piece is created to raise awareness about endangered marine life, celebrating movement, lightness, and a deep connection to the ocean through color. Each hue evokes a distinct emotion, inviting a sense of vitality and wonder into the space.

Through this series, the artist honors the dolphins' message, a reminder of harmony between human life and the fragile beauty of our planet's waters.

DESIGNER SABER ABAR  
MATERIAL EMBROIDERY ON FABRIC  
SIZE 210\*50\*40  
YEAR 2024

This divan isn't merely for sitting; it's a place for observing the lethargy of life and its stillness. It serves as a gentle reminder that we must rise, take action, and move forward.

*Saber Abar*, an Iranian actor, theater director, and photographer, founded the cultural center and gallery Inja Miyane Shahr. He also leads Abar Studio, where he merges contemporary art with everyday objects through furniture design, interior design, and renovation services. With a passion for creating immersive experiences, Abar's work in Abar Studio aims to blend art and functionality, crafting unique spaces that evoke emotions and challenge traditional design norms.

# THE BLOOMING VOID

ITEM SCULPTURE  
EDITIONS 1 OF 1  
DESIGNER PARISA SHOAR , SAEED HASAN ZADEH  
MATERIAL PLASTER + GLASS  
SIZE 68\*30\*30  
YEAR 2024

This is a unique, one-edition item; however, we are open to commissions for bespoke pieces inspired by this design.

The Blooming Void is a sculptural piece that blends tradition and innovation, reinterpreting Persian stucco carving and "Muqarnas" geometry with a modern twist. Carved from gypsum, the piece features interconnected holes, with blue glass bubbles symbolizing growth and transformation blooming from select cavities.

Combining hand-chiseling with glassblowing, the sculpture merges delicate glass with solid gypsum, symbolizing the artist's attempt to honor cultural heritage while expressing a modern vision. This work reflects the balance between respecting traditional craft and embracing contemporary artistic expression.
